

THE FRICK COLLECTION

APPLICATION FOR REPRODUCTION OF ARCHIVAL MATERIALS
FOR STUDY PURPOSES

Archives Researchers may not reproduce any visual or textual materials from the Archives for study purposes without the express written permission of The Frick Collection, as described in this Application.

To request a reproduction (i.e., a photocopy or other comparable form of copying) of archival materials for study purposes, the Archives Researcher must read and agree to the Terms and Conditions for Reproduction of Archival Materials for Study Purposes; complete, sign and date the *Application Form for Reproduction of Archival Materials for Study Purposes* (printed on the reverse); and submit it to the Archivist. If The Frick Collection approves the request, the Archives Researcher will receive an approved copy of this form granting permission for reproductions of the archival materials and a listing of the fees owed. Reproductions will not be provided until the required fees are paid.

TERMS AND CONDITIONS FOR REPRODUCTION OF ARCHIVAL MATERIALS FOR STUDY PURPOSES

All matters related to reproduction of archival materials, including the nature and format of reproduction, are within The Frick Collection's sole direction and supervision. These Terms and Conditions may be revised from time to time.

The Frick Collection may refuse to approve any request for reproduction of archival materials for any reason. Among the factors that the Frick will consider when deciding whether to permit reproduction are: the condition of the archival materials whose reproduction is sought; the length and number of the materials requested; the purpose of the reproduction; the sensitivity of the material's contents; whether the materials have been published previously; and whether the materials are protected by copyright and whether the copyright is owned by or licensed to The Frick Collection and Frick Art Reference Library.

Reproductions of materials from the Archives are provided for the purpose of private research and study only. Archives Researchers may not publish an image of an item from the Archives or quote any material found in the Archives without the express written permission of The Frick Collection. This prohibition includes dissertations and research theses. For information regarding applications for permission to publish reproductions of archival materials, please see the Application for Reproduction of Archival Materials for Publication.

Even if The Frick Collection owns the copyright in any item from the Archives, it does not by reason of the delivery of a reproduction of that item assign or license any copyright rights in the item or the reproduction.

The Frick Art Reference Library will determine the fee for reproduction according to its schedule of fees, which may be revised from time to time. Payment in advance is required before the Frick will provide approved reproductions.
